**SAN FRANCISCO UNIFIED SCHOOL DISTRICT'S OBJECTIONS AND RESPONSES  
TO ENFORCEMENT BUREAU'S REQUEST FOR ADMISSION OF FACTS AND  
GENUINENESS OF DOCUMENTS**

San Francisco Unified School District ("SFUSD"), by its attorneys and pursuant to Section 1.246 of the Commission's Rules, 47 C.F.R. § 1.246, files these objections and responses to the Enforcement Bureau's ("Bureau") Request for Admission of Facts and Genuineness of Documents dated August 19, 2004 ("Requests"). 1/ SFUSD incorporates by reference the definitions set out by the Bureau in the Requests.

**GENERAL OBJECTIONS**

SFUSD objects to the Bureau's Requests as follows (collectively referred to as the "General Objections"):

1. SFUSD objects to the Bureau's Requests to the extent that they call for information protected by the attorney-client privilege or work product doctrine.

---

1/ The post-mark on the Bureau's Requests indicates that they were served by mail on August 24, 2004. Accordingly, SFUSD's objections and responses are timely filed. See 47 C.F.R. § 1.246 (responses to request for admissions due not less than 10 days after service).

2. SFUSD objects to the Bureau's Requests to the extent that they seek information that is irrelevant to this action, or information not reasonably calculated to lead to the discovery of admissible evidence.
3. SFUSD objects to the Bureau's Requests to the extent that they are intended to elicit information compiled in anticipation of litigation by or on behalf of SFUSD or its attorneys.
4. SFUSD objects to the Bureau's Requests to the extent that they are vague, ambiguous, unnecessarily burdensome, or oppressive, or call for information that is solely outside of SFUSD's possession.
5. SFUSD objects to the Bureau's Requests to the extent that they seek to impose on SFUSD obligations greater than those provided for by 47 C.F.R. § 1.246.

Except as otherwise expressly admitted below, SFUSD denies the Bureau's Requests.

**SPECIFIC OBJECTIONS AND ANSWERS**  
**TO THE BUREAU'S REQUEST FOR ADMISSIONS**

Subject to and without waiving the foregoing General Objections, SFUSD responds to the Bureau's Requests as follows:

1. Attachment A is a true and accurate copy of the application filed at the FCC on behalf of SFUSD for renewal of license for KALW (File No. BRED-19970801YA).

ANSWER: SFUSD admits that Attachment A to the Requests is a true and accurate copy of the application filed at the FCC on behalf of SFUSD for renewal of license for KALW (File No. BRED-19970801YA).

2. Mr. Ramirez oversaw preparation of the original of Attachment A.

ANSWER: SFUSD objects to this Request to the extent that the word "oversaw" as used in the

Request is vague and ambiguous. Subject to and without waiving the foregoing objections or the General Objections, SFUSD admits this Request.

3. At the time that he oversaw preparation of the original of Attachment A, Mr. Ramirez was general manager of KALW.

ANSWER: SFUSD objects to this Request to the extent that the word "oversaw" as used in the Request is vague and ambiguous. Subject to and without waiving the foregoing objections or the General Objections, SFUSD admits this Request.

4. Mr. Ramirez intended that SFUSD should respond "yes" to question 2 of page 3 of Attachment A, which asks: "Has the applicant placed in its public inspection file at the appropriate times the documentation required by 47 C.F.R. Section 73.3526 and 73.3527?"

ANSWER: SFUSD objects to this Request to the extent that the word "intended" as used in the Request is vague and ambiguous. Subject to and without waiving the foregoing objections or the General Objections, SFUSD admits that Mr. Ramirez responded "yes" to question 2 of page 3 of Attachment A to the Requests.

5. Prior to sending Attachment A to a representative of SFUSD for signature, Mr. Ramirez conferred with Mr. Sanchez about what was required to be in the KALW public inspection file.

ANSWER: SFUSD objects to this Request to the extent that it seeks privileged information and/or attorney work product. Subject to and without waiving the foregoing objections or the General Objections, SFUSD admits that Mr. Ramirez conferred with communications counsel about the required contents of the KALW public inspection file before sending the station's

license renewal application to a representative of SFUSD for signature.

6. In overseeing the preparation of the original of Attachment A, Mr. Ramirez was acting within the authority delegated to him by SFUSD.

ANSWER: SFUSD objects to this Request to the extent that the word "overseeing" and the phrase "acting within the authority delegated to him by SFUSD" as used in the Request are vague and ambiguous. SFUSD further objects to the extent that the Request calls for a legal conclusion rather than an admission of fact. Subject to and without waiving the foregoing objections or the General Objections, SFUSD admits that Mr. Ramirez was authorized to prepare KALW's license renewal application in 1997, and that Attachment A is a true and accurate copy of that application.

7. In August 1996, Mr. Ramirez was provided information about the KALW public inspection file by the late Dave Evans, then chief engineer of KALW.

ANSWER: SFUSD objects to this Request to the extent that the phrase "provided information" as used in the Request is vague and ambiguous. Subject to and without waiving the foregoing objections or the General Objections, SFUSD admits that Mr. Ramirez had a conversation with Mr. Evans during August 1996 concerning, at least in part, the KALW's public inspection file. SFUSD further responds that, according to Mr. Ramirez's recollection, that conversation took place during Mr. Ramirez's first few weeks as General Manager, and Mr. Evans refused to be specific as to how the public file might have been deficient. SFUSD also states that after the conversation with Mr. Evans, Mr. Ramirez endeavored, on an ongoing basis, to determine what was in the KALW public inspection file and what needed to be added to that file in order to

ensure that it was complete.

8. Attachment B is a true and accurate copy of a document titled "LICENSE RENEWALS MATERIALS - - IN FILES AT PRESENT," which was prepared by Ms. Hecht in June 1997.

ANSWER: SFUSD admits that Attachment B to the Requests is a true and accurate copy of a document titled "LICENSE RENEWALS MATERIALS - - IN FILES AT PRESENT," and that Ms. Hecht prepared this document in June 1997.

9. Ms. Hecht gave the original or a copy of Attachment B to Mr. Ramirez in June 1997.

ANSWER: SFUSD admits that Ms. Hecht provided the original or a copy of Attachment B to the Requests to Mr. Ramirez in June 1997.

10. Mr. Ramirez read the original or a copy of Attachment B prior to the completion of the original of Attachment A.

ANSWER: SFUSD admits that Mr. Ramirez read the original or a copy of Attachment B to the Requests prior to the completion of the original of Attachment A to the Requests. SFUSD further states that Mr. Ramirez believed that this document prepared by Ms. Hecht was inaccurate and that Ms. Hecht might have misunderstood her assigned task in reviewing the file.

11. After reading the original or a copy of Attachment B, Mr. Ramirez made no further use of it.

ANSWER: SFUSD objects to this Request to the extent that the phrase "made no further use of it" as used in the Request is vague and ambiguous. Subject to and without waiving the foregoing objections or the General Objections, SFUSD admits that Mr. Ramirez considered the document

inaccurate and questioned whether Ms. Hecht understood her assignment. SFUSD further admits that, as a result, Mr. Ramirez did not rely on this document when completing the license renewal application for KALW.

12. Attachment C is a true and accurate copy of the SFUSD 1993 Supplemental Report (From KALW Public Inspection File), which appeared as an attachment in a letter dated April 5, 2001, from Mr. Sanchez to Linda Blair, Chief, Audio Services Division, Mass Media Bureau, FCC.

ANSWER: SFUSD admits that Attachment C is a true and accurate copy of the SFUSD 1993 Supplemental Ownership Report that was attached to the letter, dated April 5, 2001, from Mr. Sanchez to Linda Blair, Chief, Audio Services Division, Mass Media Bureau, FCC. SFUSD further admits that this document was present in KALW's public inspection file at the time that Mr. Sanchez drafted the letter to Ms. Blair in 2001. Because Attachment C appears inadvertently to include page two of the 1997 Supplemental Ownership Report in place of page two of the 1993 report, SFUSD does not believe that this report is an "accurate" copy of the SFUSD 1993 Supplemental Ownership Report. SFUSD has reason to believe that two unassociated pages located in its public inspection file (copies of which are attached hereto at Attachment I) constitute the correct pages two and three of the 1993 Supplemental Ownership Report. The two pages at Attachment I accurately and completely reflect the composition of the SFUSD Board in 1993. SFUSD notes that page three of Attachment C replicates the listing of Board Members set forth in pages two and three at Attachment I. This redundant list may represent an internal list used in the preparation of the SFUSD 1993 Supplemental Ownership Report. SFUSD assumes

that errors that occurred in the collation process when the ownership reports were copied may be the cause of the disassociation and remixing of pages among the ownership reports. The three pages that SFUSD believes constitutes the SFUSD 1993 Supplemental Ownership Report are reproduced at Attachment II hereto.

13. On or about the date that Mr. Ramirez transmitted the original of Attachment A to a representative of SFUSD for signature, the KALW public inspection file did not include the original or a copy of Attachment C.

ANSWER: As explained in the answer to Request No. 12, SFUSD believes the SFUSD 1993 Supplemental Ownership Report consists of three pages, as reproduced at Attachment II hereto. SFUSD admits that when Mr. Ramirez forwarded the original of Attachment A to the Requests to a representative of SFUSD for signature in July 1997, the SFUSD 1993 Supplemental Ownership Report—a document signed in December 1997—was not in the KALW public inspection file. SFUSD further responds that KALW's station management created or recreated one or more supplemental ownership reports, including the SFUSD 1993 Supplemental Ownership Report, in or about December 1997 after learning that such reports were required and were not in the station's public inspection file. SFUSD further states that it lacks information sufficient to admit or deny whether any previous version of the 1993 Supplemental Ownership Report was included in the KALW public inspection file at the time that Mr. Ramirez forwarded the station's license renewal application to a representative of SFUSD for signature.

14. On or about the date that Mr. Ramirez transmitted the original of Attachment A to a representative of SFUSD for signature, Mr. Ramirez knew that the KALW public inspection file

did not include the original or a copy of Attachment C.

ANSWER: As explained in the answer to Request No. 12, SFUSD believes the SFUSD 1993 Supplemental Ownership Report consists of three pages, as reproduced at Attachment II hereto. SFUSD objects to this Request to the extent that the word "knew" is vague and ambiguous. Subject to and without waiving the foregoing objections or the General Objections, SFUSD admits that at the time that Mr. Ramirez forwarded Attachment A to the Requests to a representative of SFUSD for signature in July 1997, the SFUSD 1993 Supplemental Ownership Report—a document signed in December 1997—was not in the KALW public inspection file, and Mr. Ramirez would have had no reason to believe that the SFUSD 1993 Supplemental Ownership Report was included in the public inspection file. SFUSD further states that it lacks information sufficient to admit or deny whether any previous version of the SFUSD 1993 Supplemental Ownership Report was included in the KALW public inspection file at that time or whether Mr. Ramirez was aware of any such report.

15. Attachment D is a true and accurate copy of the SFUSD 1995 Supplemental Report (From KALW Public Inspection File), which appeared as an attachment in a letter dated April 5, 2001, from Mr. Sanchez to Linda Blair, Chief, Audio Services Division, Mass Media Bureau, FCC.

ANSWER: SFUSD admits that Attachment D is a true and accurate copy of the SFUSD 1995 Supplemental Ownership Report that was attached to the letter, dated April 5, 2001, from Mr. Sanchez to Linda Blair, Chief, Audio Services Division, Mass Media Bureau, FCC. SFUSD further admits that this document was present in KALW's public inspection file at the time that

Mr. Sanchez drafted the letter to Ms. Blair in 2001. However, SFUSD does not believe that this report is an "accurate" copy of the SFUSD 1995 Supplemental Ownership Report. SFUSD notes that page two of the report at Attachment D refers to Mr. Tom Ammiano as being a Board Member. However, while Mr. Ammiano was a Board Member in 1993, he was not a Board Member in 1995. SFUSD further notes that the SFUSD Board Members in 1993 and 1995 were the same, with the exception of Mr. Ammiano (who served in 1993) and Mr. Keith Jackson (who served in 1995). SFUSD has reason to believe that two unassociated pages located in its public inspection file (copies of which are attached hereto at Attachment III) constitute the correct pages two and three of the SFUSD 1995 Supplemental Ownership Report. SFUSD notes that page four of the report at Attachment D, to the extent it replicates the listing of Board Members set forth in pages two and three at Attachment III, would have been redundant and may represent an internal list used in the preparation of the SFUSD 1995 Supplemental Ownership Report. SFUSD assumes that errors that occurred in the collation process when the ownership reports were copied may be the cause of the disassociation and remixing of pages among the ownership reports. The three pages that SFUSD believes constitutes the SFUSD 1995 Supplemental Ownership Report are set forth at Attachment IV hereto.

16. On or about the date that Mr. Ramirez transmitted the original of Attachment A to a representative of SFUSD for signature, the KALW public inspection file did not include the original or a copy of Attachment D.

ANSWER: As explained in the answer to Request No. 15, SFUSD believes the SFUSD 1995 Supplemental Ownership Report consists of three pages, as reproduced at Attachment IV hereto.

SFUSD admits that when Mr. Ramirez forwarded the original of Attachment A to the Requests to a representative of SFUSD for signature in July 1997, the SFUSD 1995 Supplemental Ownership Report—a document signed in December 1997—was not in the KALW public inspection file. SFUSD further responds that KALW's station management created or recreated one or more supplemental ownership reports, including the SFUSD 1995 Supplemental Ownership Report, in or about December 1997 after learning that such reports were required and were not in the station's public inspection file. SFUSD further states that it lacks information sufficient to admit or deny whether any previous version of the 1995 Supplemental Ownership Report was included in the KALW public inspection file at the time that Mr. Ramirez forwarded the station's license renewal application to a representative of SFUSD for signature.

17. On or about the date that Mr. Ramirez transmitted the original of Attachment A to a representative of SFUSD for signature, Mr. Ramirez knew that the KALW public inspection file did not include the original or a copy of Attachment D.

ANSWER: As explained in the answer to Request No. 15, SFUSD believes the SFUSD 1995 Supplemental Ownership Report consists of three pages, as reproduced at Attachment IV hereto. SFUSD objects to this Request to the extent that the word "knew" is vague and ambiguous. Subject to and without waiving the foregoing objections or the General Objections, SFUSD admits that at the time that Mr. Ramirez forwarded Attachment A to the Requests to a representative of SFUSD for signature in July 1997, the SFUSD 1995 Supplemental Ownership Report—a document signed in December 1997—was not in the KALW public inspection file, and Mr. Ramirez would have had no reason to believe that the SFUSD 1995 Supplemental

Ownership Report was included in the public inspection file. SFUSD further states that it lacks information sufficient to admit or deny whether any previous version of the SFUSD 1995 Supplemental Ownership Report was included in the KALW public inspection file at that time or whether Mr. Ramirez was aware of any such report.

18. On or about the date that Mr. Ramirez transmitted the original of Attachment A to a representative of SFUSD for signature, the KALW public inspection file did not include the original or a copy of all of the quarterly issues/programs lists required by 47 C.F.R. Section 73.3527.

ANSWER: SFUSD objects to this Request to the extent that it calls for a legal conclusion rather than an admission of fact. SFUSD further objects that the phrase "all of the quarterly issues/programs lists required by 47 C.F.R. Section 73.3527" as used in this Request is vague and ambiguous. Subject to and without waiving the foregoing objections or the General Objections, SFUSD denies the Request and states that it believes that documents sufficient to satisfy the issues/programs list requirements of 47 C.F.R. Section 73.3527 were in the public inspection file as of the time that Mr. Ramirez transmitted the license renewal application for KALW to the SFUSD for signature in July 1997, with the possible exception of issues/programs lists covering December 1, 1990 (when the license term began) to December 31, 1990, and for the four quarters of 1991. SFUSD further states that it has been unable to locate issues/programs lists for programming aired from December 1, 1990 to December 31, 1991 — a period of time during which KALW operated from a temporary location after being displaced as a result of the Loma Prieta earthquake in October 1989 — and states that SFUSD lacks sufficient information

to admit or deny whether issues/programs lists for such time period were included in the public inspection file at the time that Mr. Ramirez transmitted the license renewal application for KALW to the SFUSD for signature in July 1997. For the time period from January 1, 1992 until the second quarter of 1997 (the last quarter before the 1997 renewal application was filed), as well as up until the present, SFUSD believes that the NPR issues/programs lists, as supplemented for the time of broadcast by the quarterly KALW Radio Program Schedules, meet the requirements of 47 C.F.R. Section 73.3527. As confirmed by the Commission, Section 73.3527 "draws no distinction between locally produced and nationally syndicated programming." *In The Matter of San Francisco Unified School District For Renewal of License for Station KALW(FM), San Francisco, California, Hearing Designation Order and Notice of Apparent Liability for Forfeiture*, FCC 04-114 at ¶ 12 (rel. July 16, 2004) (the "HDO"). Consequently, licensees may rely solely on nationally syndicated programming to meet their issues/programs lists obligation. The NPR issues/programs lists in the KALW public inspection file set forth in rows the program title, date, duration and brief description of each topic covered by such program. Notably, in the first column of each row, under the caption "Key," the NPR issues/programs lists specify (by abbreviations — ACQU for Acquired Immune Deficiency Syndrome; AGRI for Agriculture; BUSI for Business, etc.) which of the issues of interest were addressed by each specific program. Thus, with all due respect to the Commission, *cf. HDO* at ¶ 10, SFUSD believes that the NPR issues/programs lists do in fact specify which program(s) specifically addressed the listed topics. Given the national scope, over several time zones, of NPR programming, the NPR issues/programs lists do not provide the times of broadcast — such times of broadcast by KALW

are set forth in the quarterly KALW Radio Program Schedules also placed in the KALW public inspection file. It is SFUSD's belief that these documents set forth the information required by, and thereby satisfy, Section 73.3527.

19. On or about the date that Mr. Ramirez transmitted the original of Attachment A to a representative of SFUSD for signature, Mr. Ramirez knew that the KALW public inspection file did not include the original or a copy of all of the quarterly issues/programs lists required by 47 C.F.R. Section 73.3527.

**ANSWER:** SFUSD objects to this Request to the extent that it calls for a legal conclusion rather than an admission of fact. SFUSD further objects that the phrase "all of the quarterly issues/programs lists required by 47 C.F.R. Section 73.3527" as used in this Request is vague and ambiguous. Subject to and without waiving the foregoing objections or the General Objections, SFUSD denies the Request and states that it believes that documents sufficient to satisfy the issues/programs list requirements of 47 C.F.R. Section 73.3527 were in the public inspection file as of the time that Mr. Ramirez transmitted the license renewal application for KALW to the SFUSD for signature in July 1997, with the possible exception of the issues/programs lists covering the first thirteen months of the license term, as explained in the answer to Request No. 18. SFUSD further states that it has been unable to locate issues/programs lists for programming aired from December 1, 1990 to December 31, 1991—a period of time during which KALW operated from a temporary location after being displaced as a result of the Loma Prieta earthquake in October 1989—and states that SFUSD lacks sufficient information to admit or deny whether issues/programs lists for such time period were included in

the public inspection file at the time that Mr. Ramirez transmitted the license renewal application for KALW to SFUSD for signature in July 1997 or whether Mr. Ramirez was aware of the presence or absence of that list in the public inspection file at that time.

20. Mr. Rojas, or someone who had authority to do so, signed his name to the original of Attachment A on page 5 on or about July 30, 1997.

ANSWER: SFUSD admits that Mr. Rojas, or someone who had authority to do so, signed his name to page 5 of the original of Attachment A to the Requests or about July 30, 1997.

21. In so signing Mr. Rojas's name to the original of Attachment A, SFUSD intended to certify that the statements in the application were true, complete and correct to the best of its knowledge and belief, and were made in good faith.

ANSWER: SFUSD objects to this Request to the extent that it calls for a legal conclusion rather than an admission of fact. Subject to and without waiving the foregoing objections or the General Objections, SFUSD admits that when Mr. Rojas's name was signed to the original of Attachment A, SFUSD intended to certify that the statements in the application were true, complete and correct to the best of its knowledge and belief, and were made in good faith..

22. On or about July 30, 1997, Mr. Rojas had no personal knowledge as to whether SFUSD had placed in the KALW public inspection file at the appropriate times the documentation required by 47 C.F.R. Section 73.3527.

ANSWER: SFUSD objects to this Request to the extent if calls for a legal conclusion rather than an admission of fact. SFUSD further objects that the phrases "appropriate times" and "documentation required by 47 C.F.R. Section 73.3527" as used in this Request are vague and

ambiguous. Subject to and without waiving the foregoing objections or the General Objections, SFUSD admits that Mr. Rojas had no personal knowledge concerning the contents of KALW's public inspection file on or about July 30, 1997. SFUSD further admits that Mr. Rojas had no personal knowledge on or about July 30, 1997 concerning when documents required to be placed in KALW's public inspection file had been placed there.

23. On or about July 30, 1997, Mr. Ramirez knew that SFUSD had not placed in the KALW public inspection file at the appropriate times the documentation required by 47 C.F.R. Section 73.3527.

ANSWER: SFUSD objects to this Request to the extent it calls for a legal conclusion rather than an admission of fact. SFUSD further objects that the phrases "appropriate times" and "documentation required by 47 C.F.R. Section 73.3527" as used in this Request are vague and ambiguous. SFUSD further objects that the word "knew" as used in this Request is vague and ambiguous. Subject to and without waiving the foregoing objections or the General Objections, SFUSD denies this Request. SFUSD further responds that on or about July 30, 1997, Mr. Ramirez believed that the public inspection file contained the documentation required by 47 C.F.R. Section 73.3527, as he understood that regulation.

24. On or about July 30, 1997, the KALW public inspection file was located in Mr. Helgeson's office at KALW.

ANSWER: SFUSD admits that on or about July 30, 1997, the KALW public inspection file was located in Mr. Helgeson's work area (i.e., cubicle) at KALW.

25. Prior to July 30, 1997, Mr. Helgeson provided assistance to update and maintain the

KALW public inspection file.

ANSWER: SFUSD objects that the phrases "provided assistance" and "update and maintain" as used in this Request are vague and ambiguous. Subject to and without waiving the foregoing objections or the General Objections, SFUSD admits that prior to July 30, 1997, Mr. Helgeson sometimes assisted the General Manager in the maintenance of KALW's public inspection file.
